Men Senior League R2

Wed 20th March Lisnamult

Castlerea 1-8 Roscommon Gaels 1-5

On a Dry evening on a damp pitch castlerea came to visit. Gaels started without a good few regulars but we had 3 U20 Panelist playing on an evening our U20's drew with Mayo.

First few mins both teams cagy with possession - back and forth but gaels got a great start with a goal from Full back James connolly. Our defence was uneasy at times giving away some very soft frees allowing castlerea keep in the game with Adam Mcdermott prominent
Gaels missed chances but with John Mcguinness & Liam Naughton impressing it was on 1-2 to 0-4 ahead at the break

2nd half started slowly - we won the break - pushed on but some our distribution/shot selection poor at times. As the game went on castlerea stayed in touch with Adam Mcdermott frees going 1 up. John Mcguinness leveled the game with a free with time almost up but the game turned when Scott Oates got a red card and sub John Curran broke on the couter attack and hit low to the bottom corner to win the game at the death

U15 All Ireland Final
Seamie Carthy was defeated by Sean Donnelly
(Tyrone) in a marathon of a match.
Seamie lost the first game 15-3 before settling
into the game to take the second 15-10. In an
exciting tiebreak, Seamie was unlucky to lose by
the narrowest of margins 15-14. Hard luck
Seamie! There are better days to come

Div 1 League

Roscommon Gaels Vs Clann Na Gael

28/3/24

Roscommon Gaels 6-10
Clann 4-12

Our div 1 girls travelled to Johnston on thursday last more in hope than exception to bringing a Result
But by God did they play well - 13 players set their stall our early. Really worked hard with Aoife Connolly/Grace Gannon travelling every inch of grass and Amy Gannon Sweeping made a huge difference. Goals from Emily O Reilly(3)/Rori Gately/Aisling Faughan(2) had us going in at the break with a healthy Lead. 2nd half we hung with Points from Grace/Aoife/Aisling and emily kept Clann just at lenghts bay. They fought hard to get back into the game but they just fell short. Well done Girls on a ground that is very hard to win at.

ALL STARS TEAM 2024

Just to give you an update on our plan for pitch maintenance. This year we will be weeding, fertilising, spiking & sanding the pitches. This work is essential to maintaining our pitches. The focus will be our main pitch.

As conditions (no wind) are ideal our contractor wants to fertilise the main pitch Sun 24th March. Sooner than we expected but welcome.

When the spiking etc...occurs the main pitch will be closed for c. 4 days each time, on 3 separate occasions c. mid April, Jun and Sept.

We will endeavour to avoid postponing games. But we may have no choice. We will communicate to you the moment we have dates from the contractor for mid April.

We appreciate your patience and understanding during this process

Costs

Between €7000-€8000 for 1st time this year. That includes approx 90 tonnes of sand, slow release fertilizer, seed, scarifying, and verti draining. It's normally done only once a year, but it's recommended we do it 3 times this year to try and bring the pitch back to being playable.

As you can see huge costs to keep our grounds functioning & that is only the main pitch !!

Trees - Trees

The final sapling of 600 approx being planted !!!!! And it's straight Declan !!!!!!!!!

Beautiful Silver Birch planted all around our main pitch ,60 Italian Alder planted on the boundary of the back field and of course 400 white thorn planted on the dividing ditch .

Fantastic effort by all
