# Launch of the Senior Hurling championship 2024

With the car park now completed and line markings now in place, the club wish to ask all vehicle drivers to observe the line markings. This is an extremely busy time of the year with sessions happening every hour and the area gets busy with cars dropping off and collecting children from training.

It is asked, in particular, that drivers please note the purpose of the "Set Down Only" Zone. This area is for Dropping Off & Collecting (If child is waiting at the gate). This area is not a Parking Zone. If one needs to vacate the car, PLEASE PARK IN THE DESIGNATED PARKING SPACES.

Please do not Park along the Double Yellow Lines.

The line markings were designed to enable the smooth and safe flow of traffic through the area and avoid any collisions/accidents.

Park & Facilities Committee

# 13th July

## Senior league Div 1 final

### St Brigids 4-13 Roscommon Gaels 0-07

Played on a fine evening and perfect conditions we came into this game with high hopes of putting a good performance together. However the plan didn't work out that way and with so many regulars not starting it was up to the fringe players to stake a claim for championship places.

We were totally outclassed by a strong running st brigids led brilliantly from the back with Brian Stack and ruairi fallon Dominating. Mark Purcell was out best player followed by a couple of 18 yr old lads - M Gilhooly & Eoghan Carthy.

The less said about this performance the better. Lets hope it improves with the 1st game vs Castlerea in a few week time.

## U19 Ladies Football

So far in this U19 Ladies competition it's been a mixed bag - Beating St Dominics in our first games followed by defeats to Clann & St Barry's culcumatong in a Q-final place vs Northern Harps - fixed for Tues 16th July in Elphin.  
Good Luck Girls
