13th July Ladies Football

Family Care Practice U19 League

A very warm, humid and sunny evening saw our U19 Ladies Footballers open their League campaign at home with their game v Clann na nGael brought forward to yesterday evening. The young Gaels ladies played with the wind in their favour in the first half but took a little while to settle in. Clann amounted a 1-02 lead early on but the Gaels girls got into their rhythm and started clocking up the scores. Going into half time with a 9 point lead the Gaels girls knew Clann with the breeze in the second half would not give up too easily. Clann were finding some easy scores in the second half where as the Gaels girls weren't finding them as handy. Clann came back to within a 4 points margin aided by 2 penalties but the Gaels ladies found their mo-jo again and ensured they came out on top. A very competitive match with excellent teamwork from the Gaels and some lovely displays of direct football. Our pitch was in tip-top condition and Referee JJ Leonard did a great job and facilitated water breaks for the players which were badly needed in the beautiful weather. Well done to everyone and to our U16's that played and were massive support to our older girls   

Roscommon Gaels 03-14

Clann na nGael 4-07

FURNISHINGS LTD.

We were delighted to team up with [@roscommongaels](#) at the weekend to support the fantastic staff and kids at [@greenfieldschildcare](#) with a donation of new furniture for their brilliant facilities.

A big thanks Ethan , Joey and Garreth from [@roscommongaels](#) for giving up their time to assemble the new furniture and help out with an overdue clear out!

It's a pleasure to get the opportunity to support Greenfields Crèche who provide such a vital service to our local community and to work alongside our partners at Roscommon Gaels GAA
